Wrinkle Solution

WRINKLE SMOOTHING SERUM

ALL SKIN TYPES* 1 FL OZ /29 ML

Dr. Sevinor's Wrinkle Solution instantly gives aging skin a temporary lift. Within minutes, lines and wrinkles appear smoothed away. This instant gratification formula absorbs quickly and helps to tighten the skin, making it appear lifted and smoother.

Directions:

1. Cleanse and thoroughly dry your face.
2. Be sure that there is no other product residue left on your face after cleansing.
3. For optimal results, **DO NOT apply moisturizer** before or after application of the product.
4. Shake product tube **vigorously** before each use.
5. Squeeze a small amount of product to the back of your hand and then apply, with your finger, a **single, small, thin**, even coat of product to wrinkled facial areas and sweep upward gently with your finger.
6. Stay expressionless for approximately 2 minutes while the Dr. Sevinor Wrinkle Solution-Instant Gratification sets.
7. You may apply **mineral powder** makeup and **blush powder** with a brush. **DO NOT RUB. DO NOT USE A LIQUID FOUNDATION** . You may use moisturizer at bedtime when this product is not being used.
8. Close the tube **tight** when finished.
9. You may see a dry powder-like residue on the top of the tube — simply wipe with tissue before use of product. You may feel a sensation of tightening which means the product is working. **A white film may result if the product is applied too thick.** You may cover over the white film with a **mineral** makeup.
